# Instructions

## **Maze game**

When the balance ball reaches or passes through the clearance slot, the game will be cleared. At this time, colored light will light up around the maze for 5 seconds.

## **Hand-warming function**

Long-press the switch button for 3 seconds to enter the hand warmer level 1 (45 degrees). Click the switch button to change to the second the warmer level (55 degrees) and if you click it again, you'll go back to the warmer level 1 (loop). Level 1 can last up to 8 hours and level 2 up to 6 hours. Long-press the power button for 3 seconds to turn off the hand-warming function.

## **Power bank**

Insert the cable into the USB interface to charge your mobile device. When the hand-warming function is turned on, the charging function is not available.

## **Flashlight mode**

Double click the switch button to turn on the flashlight on the gadget. Double press it again to turn the flashlight off.

## **Power indicator**

The power indicator lights up when the hand warmer and power bank are turned on. It will turn off when the hand warmer and power bank functions are off. Tap the switch button once to turn on the power indicator and check the battery level.
