Product operation

For the remote button:

1. Long-press the remote button to power it on, and at the same time the LED will start flashing
2. Turn On the Bluetooth on your phone and search for SelfieCom
3. Pair it with your phone and the LED indicator will stop flashing

For the selfie light:

1. Long-press the power button to turn on the light
2. Short-press the power button to change the brightness

Changing the battery

1. Open the remote case from the edge.
2. Remove the old empty battery and replace it with the new one.
3. Close the remote case and it's done.

**Selfie light has a built-in rechargeable battery.*
